SKYLIGHT MID-30 INTENSE SET x3

Price	**139.00 Euro**
Availability	**Niedostępny**

Product description

SKYLIGHT MID-30 INTENSE

LAM025

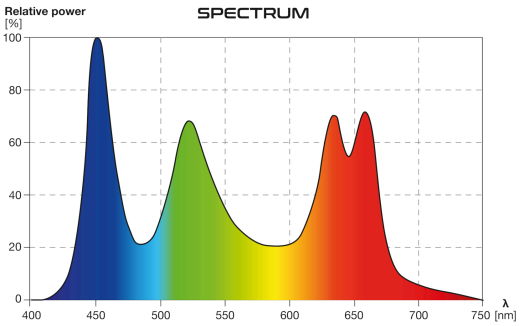

FEATURES

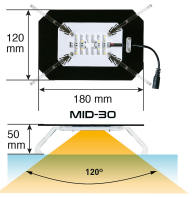

The SKYLIGHT MID-30 INTENSE and SKYLIGHT MID-30R INTENSE lamps were designed in a very different way, than other vivarium/terrarium dedicated lighting products. Majority of available vivarium lamps are oriented around high brightness. In some more advanced lamps like SKYLIGHT PRO, brightness is somewhat compromised for high color rendering index (CRI). In MID-30 and MID-30R INTENSE both mentioned above parameters are compromised to achieve one ultimate goal - vivid, intensecolors. Large portion of deep red light

in the spectrum triggers phytochromes of plants to produce colorful protective pigments, while RGB based spectrum of the lamp allows the user to see his planted terrarium with deeper, more intense coloration. Additionally the side glaring has been brought to the minimum in this product making looking on your vivarium a pure pleasure!

PARAMETERS

Power rating:	**9,6 W**	**Dimensions:**
Luminous flux:	**800 lm**	
Colour temperature:	**7000 K**	
CRI:	**70**	
Voltage rating:	**12 V DC**	
Current rating:	**800 mA**	

CONFIGURATION

Recommended for terrarium dimension:

Width [cm]
Depth [cm]
Height [cm]

SET of MID30:
Accessories included:
Cables
Power supply
